### LOSS OR THEFT OF RENTAL EQUIPMENT

We cannot be responsible for the loss or theft or rental skis or equipment. To avoid being charged with the full retail price of the equipment involved, simply file a report with the Police Department in the area involved and give it to us. With this report in our files, the cost will be based on our replacement price rather than the full retail price. Just a reminder, do not leave skis and snowboard equipment unattended.

### PICKUP/RETURN POLICY

Troop 2 members enjoy the privilege of picking up their rental any day of the week prior to Presidents Day.

### REFUND POLICY

No refunds will be made due to adverse weather, road conditions or any other acts of nature.
